

# Donald Lawrence, I Speak Life

Chorus

I speak life

Your gonna live

Oh, my brother my sister

You're the head and not the tail you will prevail

I speak life

Don't give up the fight

For your life

You shall live and not die

Life to your spirit

Life to your soul

God bless your spirit

By his word be made whole

Fight for your life

You shall live and not die

Chorus

Vamp

You shall live and not die
