Donavon Frankenreiter, Free

We could let this love be the fading sky We could drift all night until the new sun rise Pass me a drink or maybe two One for me and one for you And we'll be

Free, Free Free, Free

Here comes corner winds and the changing' tide We better drop them sails and get inside When will the weather ever let us go I guess we'll have to wait until the trade winds blow When we'll be

Free, Free Free, Free

There's nothing in between What we are, what we see There's nothing in between What we are, what we see, what we are We are just

On a life boat sailing' home With our drunken hearts and our tired bones Well I just take one last look around Yeah an' every place feels like a familiar town And now we're

Free, Free And don't you wanna be Free From time to time a little

Free Hey now now Free I know you know your Free Feels so good to be Free mmm mmm mmm
