

Donavon Frankenreiter, Lovely Day (featured on)

All I see is sun and sky
Everytime I look into your eyes
And here we go again my friend
Staying together till the end...

""Chorus:""

It's gonna be a lovely day... (x 4)

""Verse 2:""

Being out in the open air
Living life like we just don't care
Just doin' what we want to do
Not doing what we're s'posed to...

(Repeat Chorus)

""Bridge:""

We'll just float
On top of the
Clouds that cover
Our skies instead...

We'll just fly
On top of the
Stars that cover
Our skies instead...

(Repeat Chorus)
