

Donell Jones, My Gift To You

Christmas is the time we have picked to give
Each other gifts Oh yeah, yeah
Most people never seem to think about the things
We really need oh ho oh who

So I'm offering this wrapped present
Wrapped up in a package that you can get from someone (Get from someone)
This package that they'll bring to you
Is my gift to you

We must not predict without giving up yourself you know
It's just not a gift oh no huh
So how can you expect a gift from someone else unless you give
That's just the sign of a selfish man

So I'm offering my heart and soul
And every single part I have to give of myself
(To give of myself)
My love is what I bring to you
Is my gift to you

Oh yeah my gift, my gift, my gift to you

So I'm offering this wrapped present
Wrapped up in a package that you can get from someone oh yeah (Get from someone)
This package that they'll bring to you
Is my gift to you

Said it's my gift yeah huh
Gonna say it again
My gift to you
Yeah (my gift to you)
Do you hear what I'm talking about baby
My gift, my gift, my gift to you
Oh yeah, yeah
My gift to you
Said it's my gift
Said it's my gift
My gift to you
