

# Donell Jones, My Wish To You

Christmas is the time  
We picked to give each other gifts  
Ooh yeah yeah  
Most people never seem  
To think about the things we really need  
Ohh hoo whuu  
So I'm offering this wrapped present  
Wrapped up in a package that you can give  
From someone (Give from someone)  
This package I'm will bring to you  
Is my gift to you  
Yeah  
We must not predict  
Without giving up ourself you know  
Its just not a gift  
Ooh no ha  
So how can you expect to get  
From someone else unless you give  
That's just a sign of a selfish man  
So I'm offering my heart and soul  
And every single part  
I have to give  
Of myself (Giving of myself)  
Yeah  
My love is what I bring to you  
Is my gift to you  
Oh yeah  
My gift, my gift, my gift to you  
Ohhh  
So I'm offering this wrapped present  
Wrapped up in a package that you can give  
From someone (Give from someone) Oh yeah  
This package I will bring to you  
Is my gift to you  
Satisfy you  
Going to sing it again  
My gift to you  
Yeah  
My gift you  
Do you hear what I am talking about baby  
My gift to you  
Satisfy you, huh, satisfy you  
My gift to you
