

# Donell Jones, Still

[Intro]

Uh, what

What's goin' on

Yeah, uh, what

What's goin' on

Seemed like everything was cool  
Until you came home yesterday (What's goin' on)  
And girl, you know I ain't nobody's fool  
Yet you insist on treating me this way (What's goin' on)  
And I can't believe after all that we've been through  
You still think you can hide from me, yeah (What's goin' on)  
See I know something's wrong with me and you  
This ain't the way true love's suppose to be  
Are you still feelin' me

Am I still the one you love  
Why does it seem like something's changed  
With you and me  
Oh how I wish things were the way they used to be  
I need to know if you still believe  
Do you still believe in love

Is this really what you want  
Is there somewhere else you'd rather be (What's goin' on)  
Oh girl, why can't you just tell me the truth  
Instead of playing all these games with me  
Are you still feelin' me (What's goin' on)

Am I still the one you love  
Why does it seem like something's changed  
With you and me  
Oh how I wish things were the way they used to be  
I need to know if you still believe  
Do you still believe in love

Am I still the one you love  
Why does it seem like something's changed  
With you and me  
Oh how I wish things were the way they used to be  
I need to know if you still believe  
Do you still believe in love

What, uh, what  
What's goin' on  
Oh, oh, oh  
Ummm, hmmm

Am I still the one you love  
Why does it seem like something's changed  
With you and me  
Oh how I wish things were the way they used to be  
I need to know if you still believe  
Do you still believe in love

Am I still the one you love  
Why does it seem like something's changed  
With you and me  
Oh how I wish things were the way they used to be  
I need to know if you still believe  
Do you still believe in love

Can we get back to the lovin'  
Can we get back to the lovin'

Yeah, yeah, yeah  
What's goin' on  
Oh, oh, oh  
Umm, hmm
