Donell Jones, When I Was Down

Chorus
When I was down you wasn't there for me
Pushed my love right out the door
At this point, I can't take no more
When I was down you wasn't there for me
That's the reason I'm leaving you
Girl, I'm through

Verse One
My all and my everything
She couldn't do no wrong
Until the cash was gone
And she fronted like she cared for me
But what's the possibility she was getting me for my money

Chorus

Verse Two
No more lies baby things done changed
I'm not the man I used to be
I gotta look out for me
And after all that we've been through
I can't believe that you would think I could love you

Now things done changed
And my life just ain?t' the same
You've been trying to come back home to me
That ain't gonna happen

Chorus
