ITSUMO  
Dice & K9

(Dice)

Juz' call me first born, you're my first love,  
You're my 1st kiss from up above.  
And I don't care if you don't give love back  
Coz' n my heart is where your ass is at.  
I love your eyes , your nose & your tender lips,  
Wanna kiss your neck, your shoulders to your finger tips.  
I go crazy when you shake those sexy hips.  
Baby girl you're the 1 I can't resist.  
You know I love you from the very start, I don't care if you break my heart.  
I'm the man & I'm here for you, believe me coz' my love is true.

CHORUS

(Sashi)

Itsumo kokoro wei hoshi itstuka  
Dare katu mata koi nei utchitimu  
Itsumo kokoro nei eiro itsumo  
Anata dake no basho ga aru kara

(K9)

You wanna get down with k-n-i-n-e, make sure that's pure l-o-v-e  
Never talk about the i-c-e coz' I only got my h-e-a-r-t for y-o-u  
I can't pay the bills for dinner, I juz' give them my IOU  
For sure, I'm not after f-u-c-k, got no b-a-d intentions don't wanna play girl,  
Maybe we might spot a UFO, wait, that's not part of the rhyme juz' felt like sayin' so  
You gotta know that I love from the start till f-o-r-e-v-e-r.

Repeat chorus

(Dice)

Baby girl be my first lady, be the mom of my first baby  
You didn't like me when you first saw me, I'll be gentle I'll do it slowly.

(K9)
