

Donna Regina, My Perfect Friend

Your beautiful heart
As big as an ocean
Filled with deep emotion
Your beautiful heart

Your beautiful soul
Like a mine of gold
That cannot be sold
Your beautiful soul

I wish her flowers
She's a fountain of love
I wish her heaven
And all the stars above
I wish her sunshine
To warm her skin
I wish her a lover
Who really understands
My friend my perfect friend

Your beautiful heart
As big as an ocean
Filled with deep emotion
Your beautiful heart
My beautiful friend
Hope it will never end
Hope you will always be
My beautiful friend
