

# Donna Summer, All Systems Go

If you're ready to fall in love  
Here's the thing you've been dreaming of  
Scientific fact that you should know

If you're ready to give your heart  
And you don't know which way to start  
And you're afraid you'll go against the flow

Ask anyone who's ever been given the blow  
If you'll know when all systems are go

All systems go, ohohoooh  
All systems go, ohohoooh  
All systems go, all systems go  
All systems go, oo oh oo oh  
All systems go, all systems go  
All systems go, oo oh oo oh

Is your mind in computer mode?  
And all your senses in overload  
And all controls for take off in your hands

200,000 watts of my love are starting to glow  
Let you know that all systems are go

All systems go, ohohoooh  
All systems go, ohohoooh  
All systems go, all systems go  
All systems go, oo oh oo oh  
All systems go, all systems go  
All systems go, oo oh oo oh

You're on a one way trip to the sun  
Your heart's on fire and you're ready to run  
Faster now faster, we're headin' out for planet Mars  
Love on sudden impact, everything's under control  
And all systems are go

All systems go, ohoh oooh  
All systems go, ohoh oooh  
All systems go, all systems go  
All systems go, oo oh oo oh  
All systems go, all systems go  
All systems go, oo oh oo oh
