

# Donna Summer, Fred Astaire

Romance me...dance me  
'til I don't care  
You haven't lived until you've danced on air  
Whisper nothings if you dare  
Won't you please, be my Fred Astaire

[Jam:]  
Everybody up...everybody up  
Everybody up on the dance floor now  
Everybody up...everybody up  
Everybody up on the dance floor now

I know they call you Mr. Lonely Heart  
But you're the leading man to play the part  
You don't have to be a millionaire  
All you have to do is be my Fred Astaire

[Chorus:]  
Get up now...get up now  
Get up now...be my Fred Astaire [2x]

[Jam]  
When you move it's like a melody  
Serenading...the very heart of me  
I'll be your Ginger Rogers on the floor  
Swirl me. twirl me 'til I just can't  
Take no more

[Chorus]  
Boy if you could only read my mind  
You've been in my dreams a thousand time

[Jam]  
[Chorus Jam:]  
Everybody up  
(get up now)  
Everybody up  
(get up now)  
Everybody up  
(be my Fred Astaire).
