

Donna Summer, On The Radio (Long Version)

Someone found a letter you wrote me, on the radio
and they told the world just how you felt
it must have fallen out of a hole in your old brown overcoat
they never said your name but I knew just who they meant.

Oh, I was so surprised and shocked, and I wondered too
if by chance you heard it for yourself
I never told a soul just how I've been feeling about you
but they said it really loud
they said it on the air
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh

Now, now don't it kinda strike you sad
when you hear our song
things are not the same since we broke up last June
the only thing that I wanna hear is that you love me still
and that you think you'll be comin' home real soon
whoa oh yeah and it made me feel
proud when I heard you say
you couldn't find the words to say it yourself
and now in my heart I know I can say what I really feel
'cause they said it really loud
they said it on the air
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh

on the radio

Sent them in a letter to tell them that I love you too
if you hear it maybe you'll know
when you hear them read the line about love's
return on the radio
you'll think about the two of us, and you'll come home
oh, if you knew just how I felt why you made me wait
life goes on and on why you play with my heart
don't hold out any longer,
'cause now I know how you really feel
'cause I heard you really lied
they said it on the air
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh now

If you think that love isn't found on the radio
well tune right in you made find the love you lost
'cause now I'm sitting here with the man
I sent away long ago
it sounded really loud they said it really loud
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh
on the radio whoa oh oh
on the radio, whoa oh oh (fade)
