

Donna Summer, RUMOUR HAS IT (in Album Live

Spoken:

Rumour, rumour hear all about it
rumour has it and I'm gonna shout it
rumour, rumour hear all about it
rumour has it and I have got to shout it
thank you so much alright

now I'll tell you what I heard
Rumour has it all around the town
someone's looking for a girl like me
where can she be found

I hope it's who I think it is
I wonder if it's really him
it's got to be the man I love
no one else but him

There's a rumour, rumour has it
there's a rumour

They say he's gonna make this girl his everything
he's gonna love her and surround her
with all those beautiful things

it was the most wonderful moment in my life I had
my life ended on that evening

I lost him, Lord it hurt so bad

There's a rumour, rumour has it
there's a rumour

You never know just what you've won until you've lost
and the object of the game is not to pay the cost
anyone can play the game, there are no rules
and you never know just what you've won until you lose

There's a rumour, there's a rumour
rumour has it

there's a rumour, there's a rumour

rumour has it, rumour has it

there's a rumour, there's a rumour

there's a rumour, such a rumour
