

Donna Summer, TRY ME, I KNOW WE CAN MAKE IT

Spoken:

I love everybody alright alright
you know it's a very very special day today
because what a night tonight
business is out
you're 'round
I'm here
Anything could happen
it's a magical mystical night
and you know you're also on a live recording
I want you to try me
'cause I know we can make it
come on now yeah
Try me, try me, try me, try me
just one time
try me, try me, try me, try me
just one time
now baby don't you think you should
Try me, try me, try me, try me
just one time
try me, try me, try me, try me
just one time
now, baby don't you think you should
I just wanna feel your body close to mine
I just wanna share your love
and baby all the time
Try me, try me, try me, try me
just one time
try me, try me, try me, try me
just one time
try me, try me, try me, try me
just one time
try me, try me, try me, try me
just one time
Try me...
Oh try me baby you try me...
I want you to try me...
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, we can make it
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, we can make it
You've got an easy way to make me cry
my love for you
and I can tell by the hungry way you look
that you know just what to do
We can make it
we can make it
we can make it
Try me I know we can make it
I know if we try
try me I know we can make it
I know if we try...
I love you LA you really are
you're the greatest!
