

# Donnie Iris, Fade Away

Last night I woke up dreaming  
I dreamed you were on a boat  
You were sailing down the Cuyahoga River  
And the guard pulled up the moat

Baby, come back to me  
Baby, come back to me  
Baby, come back to me  
Don't fade away

And the sharks they fill the water  
Yeah, they really like the mud  
They keep me at a distance  
And really smell the blood

## CHORUS

Nothing I can say  
Nothing  
You won't believe me anyway  
But I hope one day will come  
When you're older  
When you're older

The truth is veiled and fuzzy  
And the water's thick with fog  
I was drowning in a sea of isolation  
I was reaching for the log  
And log became a branch  
And the branch became a tree  
And the tree became a crucifix  
It's where you all have hung me

## CHORUS
