

Donnie Klang, Broken Heart

[Speaking:]

Baby, I'm just gonna be real right now
I know what you're going through
I've been through it before
I'm here for you, listen

[Verse 1:]

Girl I know the pain you feel
I felt the same way too
Over time your heart will heal
I promise this to you
Girl I've waited way too long to tell you this I'm so in love with you
All I can do is hope that u feel the same way too

[Chorus:]

Girl I could fall back in love with you (girl I could fall back in love with you)
Over, over and over and over again (over and over again)
Your broken heart can lead to you and me
Together, forever for better or worse baby trust when I say
I'll heal your broken heart

[Verse 2:]

Ohh girl
Your broken heart
Yeah
Girl I heard the things he said
It wasn't meant for you (nah)
Girl I saw the tears you shed
I know what you've been through
Girl I fell in love again the moment that I laid my eyes on u
All I can do is hope that u feel the same way too

[Chorus:]

Girl I could fall back in love with you (girl I could fall back in love with you)
Over, over and over and over again (over and over again)
Your broken heart can lead to you and me
Together, forever for better or worse baby trust when I say
I'll heal your broken heart
Girl I see the questions in your eyes
I know it's hard to trust I'm not that guy
I'm the answer to your prayers
Your broken heart can lead to you and me
Together, forever for better or worse baby trust when I say
I'll heal your broken heart
Ohh girl
Your broken heart
