

Donnie Klang, Rolling Stone

Ohh yea (Seven singing there)

Ohhhhh (seven)

Donnie starts)

If I had a dime

Every girl I thought was fine

I would be a millionaire

But I really don't care

What good is it if I'm alone?

If I'm alone...

Guess I'm just a rolling stone...

Chorus :

You might be the one I've been looking for

Guess I'm just a rolling stone

You might be the one I've been looking for.

If I had a dime

To come around and change my life (change my life)

If its caught on what shade it is

Start all over again

Nobody wants to be alone (Nobody wants to be alone) (Be alone)

Chorus:

Guess Im just a rolling stone

You might be the one that Ive been looking for. [X2]

You might be the one .. Ive been waiting for and waiting all day

You might be the one .. that Ive been waiting for...

You might be the one to slow down a rolling stone .

Chorus
