

Donny Osmond, Broken Man

You're my angel
You are my shelter
You're my heart

Don't let me go now
Without a chance
That you know if you could look through my eyes
and see what I'd see
you'll find there's only you

I need your strength through it all
Your touch to sooth my soul
And if you let me go
Here's what I am
I am a broken man

You're my reason
You are my courage
You're my heart
You are the daybreak that holds me sweetly through the dark

Please let me look through your eyes
To cry these tears
You'll find they're only for you

I need your strength through it all

Your touch to sooth my soul
And if you let me go
Here's what I am
I am a broken man

I know I should have told you
All that you mean to me
If you leave me
I won't survive
You're my life

Don't say goodbye
Forgive me please
Down on my knees
This time I'd let it show
Cause this broken man
Healing is so, waiting to long
So that you know
I need your strength to hold
You touch to sooth my soul
And if you let me go
Please understand
All that I am
Is just a broken
I'm a broken man
