

Donots, Room With A Wiew

Come, take a breath
Make this moment last

Be here right now
This is the place and time
Forget the world
And leave it all behind

It doesn't take a word
And all i need to know is here
There's comfort in the silence
When you're near

Give me shelter
When the day comes
Crashing down on me
I'll tide you over
I will give you
Everything(you need)

Let's take a breath
It might be our last one
Make this moment last
Make it the best one

We'll find ourselves
Finding something new
Feels good to share
A Room with a wiew
