

Donovan, Superlungs

You see this kind of chick in every town
Whenever there's a scene she's always hanging around
She's so naive and innocent, stares at you with awe
She's only fourteen but she knows how to draw
Supergirl, supergirl
Supergirl, supergirl
Supergirl She's my supergirl and I love her
Supergirl She's my supergirl and I love her
Supergirl She's my supergirl and I love her
Supergirl She's my supergirl and I love her
She never gets involved with blowing her cool
She's too busy painting sky with her classmates in school
Teachers they ignore, they would if they could
She ain't quite grown up yet but her breathin's real good
Supergirl She's my supergirl and I love her
Supergirl She's my supergirl and I love her
Supergirl She's my supergirl and I love her
Supergirl She's my supergirl and I love her
