

# Doomsday Refreshment Committee, Flesh Machine

Night closes in  
Fear grows within

INFECT  
DISECT  
It crawls under your skin  
You want it  
FLESH FLESH  
Feel it pulse through your veins

Time has come to rise  
Pray the world survives

PERFECT

A man made killing machine  
You want it  
FLESH FLESH  
It burns deep in your brain
