

Doomsday Refreshment Committee, Hail To The

Assimilate your world of hate
Life gone wrong but I'm still strong
Look to me and you will see
Can't keep us down, We wear the crown

Fall to your knees and hail to the freaks
Fall to your knees and hail

My place my time I take whats mine
We bow to none we stand as one
Assimilate your worlds of hate
Can't keep us down we wear the crown

Fuck with me and you will see
Bow to me and hail to me
Fuck with me and you will see
Bow to me and hail to the freaks

Fuck with me and you will see
Bow to me and hail to me
Fuck with me and you will see
Bow to me and hail to me
