I, don't need your forgiveness  
I, don't need your hate  
I, don't need your acceptance  
So what should I do?

I, don't need your resistance  
I, don't need your prayers  
I, don't need no religion  
I, don't need a thing from you!

I don't do what I've been told,
