## Dope, Little Fish

The first time was long ago It first hurt then I began to roll The last time was an hour or so It's that time & amp; I wanna go I've seen inside of me This side is everything I've seen & amp; I'm gonna be **Fuck Rehability** I'm sick or so you say Live life just for today It's my life don't fuck with me Don't tell me what you think I don't need it When I was a little fish I would swim through all of this One time 'bout a year ago I flat lined but I didn't ao I came late but I made the show If I didn't tell you, you'd of never known I've seen so much of thee Governments hypocrisy I've laughed at all of thee Suggested remedies Methadone at 17 Left Betty Ford to drink I'll trip on anything Send me to see a shrink I don't need it (Chorus) It's that time I don't wanna go Showtime after the show Rather pass out on the floor Goes along with rock'n'roll I've seen 'bout everything Sex, drugs, sobriety Been treated for disease & amp; I've pissed off everything Accuse me of anarchy I don't care what you think I say fuck conformity I say fuck the USA

I don't need it
