

Dope stars inc, Shock To The System

Whoa yeah
It was a night, LA burning bright
Oh what a night say yeah, come on
It makes my world stand still
Ahhh riot, rape, race and revolution, ahh yeah
Here come the fire and my world burn still
Yoww, say yeah
Well you can rock this land baby, yoww
Like a shock to the system
I feel good, well alright
Like a shock to the system
Say yeah, ain't it eerie?
It was a night
Hell of a night LA, it really was
I said yeah, come on it makes my life feel real
Fear police and civil corruption, oh yeah
Is there a man who would be king
And the world stood still, ah yeah loud
You can rock this land baby, yeah
Shock to the, shock to the
Shock to the system
Loud I got a
Shock to the, shock to the
Shock to the system
Yeah I got a
Shock to the, shock to the
Shock to the system
Yeah I got a
Shock to the, shock to the
Shock to the system
You could be king
(laugh)
Or I could be king
Yeah well
