

Doris Day, Singing In The Rain

im singing in the rain
just singing in the rain
what a glorious feeling
im happy again
im laughin the clouds
so dark up above
the suns in my heart
and im ready for love
let the stormy clouds chase
everyone from the place
comon with the rain
i have a smile on my face
i walk down the lane
with a happy refrain
and im singing,
just singing in the rain
im singing in the rain
just singing in the rain
what a glorious feeling
im so happy again
im laughing the clouds
so dark up above
the sun's in my heart
and im ready for love
let the stormy clouds chase
everyone from the place
comon with the rain
i have a smile on my face
i walk down the lane
with a happy refrain
and im singing,
just singing in the rain
