

Doro Pesch, Alive

All alone, and night is falling
All along, I hear you calling
Telling lies, and sad goodbyes
The secrets will be safe inside of me

As long as I'm alive
You'll always be a part of me
As long as I'm alive
As long as I'm alive
For you I'll always keep
The fire burning inside

CHORUS

I will keep this love alive
Let our souls be the first me satisfy
I will keep this love alive
Oh let our hearts be the only guide we follow

Everybody knows, you can't build a wall around us
I believe time will tell
Our hearts will stay forever locked together

As long as I'm alive
For you I'll always keep
The fire burning inside

CHORUS
