## Doro Pesch, Alive

All alone, and night is falling All along, I hear you calling Telling lies, and sad goodbyes The secrets will be safe inside of me

As long as I'm alive You'll always be a part of me As long as I'm alive As long as I'm alive For you I'll always keep The fire burning inside

## **CHORUS**

I will keep this love alive Let our souls be the first me satisfy I will keep this love alive Oh let our hearts be the only guide we follow

Everybody knows, you can't build a wall around us I believe time will tell Our hearts will stay forever locked together

As long as I'm alive For you I'll always keep The fire burning inside

**CHORUS**
