

# Doro Pesch, Kiss Me Like A Cobra

Can you feel my heartbeat  
When danger comes around  
I sense a sudden smell of poison  
Joined by a hypnotizing sound

A deadly game  
A mind to tame  
A deadly kiss  
Eternal bliss

You put me in a state of trance  
Seduce me like a cobra  
Could it be our last romance  
When you kiss me like a cobra

Love is constant danger  
Cos' it makes me feel alive  
My life never seemed much stranger  
When killing me means love

A deadly game  
A mind to tame  
A deadly kiss  
Eternal bliss
