

# Doro Pesch, Last Day Of My Life

It's the first thing in the morning  
and the last thing late at night  
I get overwhelmed with sorrow  
I know I won't survive

I'm feeling that you're leaving  
just when the time is right  
and I know there's no tomorrow  
will I ever see the light

You said it's forever  
what did I do  
do you remember  
I meant everything to you

You said you'd always love me  
Till the very last day of my life  
Are you saying... now it's time to die  
you swore you'd never leave me  
Till the very last day of my life  
are you saying that you change  
your mind tonight

Oh I don't know  
where it started  
but I know where it will end  
and I pray that you'll still love me  
'Cause my life is in your hands

I'm lost inside without you  
I hope you are as well  
and I feel my soul is stranded  
alone in this living hell

You said it's forever  
what did I do  
do you remember  
I meant everything to you

REPEAT CHORUS :

Now I'm still waiting  
alone here in the dark  
collecting all the pieces  
of another foolish heart

REPEAT CHORUS :

In the night when you told me you never let me go  
in the night I'm still waiting for you  
to hold me, you to .....  
in the night you will hold me and tell me we will go  
and never let me go  
and never let me go
