

Doro Und Warlock, All We Are

All we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need

There's beauty in the heart of a beast
fear behind the eyes of a thief
I know, you know we're all incomplete
lets get together
and let's get some relief

all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need

Stronger than a mountain of steel
faster than hell on wheels
we've got we've got all the power we need
lets build a playground on this old battlefield

all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need

Now we're stronger
we no longer want you bringin' us down
we've got the magic
so we're gonna spread the magic around yeah!

Now we're stronger
we no longer want you pushin' us

all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need

all we are
all we are, we are
we are all, all we need
all we are
all we are, we are
we are all, all we need

All we are
we are all, all we need
