

# Dottie West, Country Sunshine

I love you please believe me I wouldn't want you to ever leave me  
But I was raised on country sunshine  
I was raised on country sunshine green grass beneath my feet  
Runnin' through fields of daisies a wadin' through the creek  
You love me and it's invitin' to go where life is more excitin'  
But I was raised on country sunshine  
I was raised on country sunshine I'm happy with the simple things  
A Saturday night dance a picture show and the joy that the bluebird brings  
I love you please believe me I wouldn't want you to ever leave me  
But I was raised on country sunshine  
There's just something bout the mornin' makes each day a joy to see  
Nighttime brings a peaceful feelin' to rest inside of me  
I love you please believe me I wouldn't want you to ever leave me  
But I was raised on country sunshine  
Oh I love you please believe me...  
Uh huh I was raised on country sunshine oh oh I was raised on country sunshine
