

# Dottie West, I Miss You Already

I miss you already and you're not even gone  
The time has come you're telling me goodbye I know that I can't stop you if I try  
I've had way too many chances now I'll have to set you free  
I watch you go too late I know how much you mean to me  
Yes I miss you already don't know how I'll go on  
I miss you already and you're not even gone  
[ steel ]  
So kiss me once again and please don't cry I promise there'll be no more alibis  
I'll have to find myself a way to face this loneliness  
I watch you go too late I know I've lost my happiness  
Yes I miss you already...
