

# Dottie West, Mama Kiss The Hurt Away

Mama kiss the hurt away yes mama kiss the hurt away  
When I was just a little girl I'd fall down and skinned up my knees  
But mama would say let me kiss the hurt away then it'll be all better  
Well it wasn't very long till I started first grade  
And I cried cause Billy pulled my pigtail  
But mama just say let me kiss the hurt away and then it'll be all better  
Mama kiss the hurt away yes mama kiss the hurt away  
This my mama would always say let mama kiss the hurt away  
As I grew older and went to high school I'd fell so in love with Billy  
But oh then one day Jenny stole his love away now nothing can be all better  
Mama kiss the hurt away please mama kiss the hurt away  
But I guess I'm too big for mama to say let mama kiss the hurt away
