

Dottie West, Release Me (And Let Me Love Again)

Please release me let me go cause I don't love you anymore
And to waste our lives would be a sin release and let me love again
Yes I have found a new love dear and I will always want him near
His lips are warm while yours're cold release me my darling let me go
(Please release me let me go) no I don't love you anymore
(To waste our lives would be a sin) so release and let me love again
Please release me can't you see that you'd be a fool to cling to me
And to live together is a sin so release and let me love again
