

Dottie West, Tomorrow Never Comes

Oh you tell me that you love me yes you tell me that you care
That tomorrow we'll be married but tomorrow's never there
Many weeks have I waited and many many long nights have I cried
Just to see that happy morning happy morning when I'd have you right by my side
But tomorrow never comes no no no tomorrow ain't ever ever gonna come
Now you tell me tell me tell me you love me and you say you want me
Oh but tomorrow never comes
