Double You, Got To Love

You make me feel Love, love is danger when it is like a stranger beware of what you do before you're hearts broken in two Fight, beware you're swallowed get rid all your sorrow go back on the attack or else she won't come back Love, love is anger it kills you like a stranger becuse it has no mercy all it can do is curse me Fight and don't surrender stand up and just remember go back on the attack or else she won't come back Chorus I I've got, I've got no love I'm trying to talk to you Repeat Chorus 1 Chorus II Everybody has got to love someone (2x) Repeat Chorus II Repeat Chorus I (2x) Repeat Chorus II (4x)Repeat Chorus I (4x) You make me feel
