

# Doug And The Slugs, Too Bad

Too bad that you had to get caught  
That's not like you to lose face  
So sad that you're not as smart  
As you thought you were in the first place  
Baby, I could use some of your persuasion  
(too bad .. persuasion .. too bad .. persuasion)  
To wipe away (wipe, wipe, a-wipe, a-wipe a-wipe away)  
the taste of your machinations  
(too bad .. machinations .. too bad .. machinations)  
It's over  
Kaput except for the tail spin  
(too bad .. for the tail spin .. too bad .. for the tail spin)  
Save the dialogue (baby set your dialogue)  
for the old men in the pool room
