

Dover, My Fault

Sooner or later
you'll find him again
and he's pretty
and you're not
thank you so much!!
you're a doll!

Didn't you notice that she had
hear coat on
maybe she went out
you've been talking way too loud

Oh! sister, don't give'em all you got
oh! so close! they have to be mine
and I'll wait for you in the dark

sooner...

didn't you notice...
