

Down By Law, Flower Tattoo

do you wanna
go for a walk?
You can hold my hand
we can laugh and talk
you can lead the way
which way ya wanna go?
Tell me all the things
I really wanna know
with a t-shirt, sneakers and some faded blue jeans
a pocket in the back, ripped from the seams
she really doesn't care
what they hear & see
what they think about her, what they think about me
if I wrote the perfect song
you know i'd name it after you
hair is gold & her eyes are blue
i'm in love with the girl with the flower tattoo
