

Down, Never Try

Close the door
lay in bed
cigarette
aching head

never try...you either do it, or don't waste my time

Frustration
out patient
hand-cuffed man
to himself

navigate slowly
a step at a time
towards the law

never try...YOU EITHER DO IT OR DON'T WASTE YOUR TIME
never try...YOU EITHER DO IT OR DON'T WASTE YOUR LIFE

Shreds of life
eyes cried dry
touch no-thing
burned outright

navigate slowly
a step at a time
towards the law

never try...you either do it or don't waste my time
