

Down, Nothing In Return (Walk Away)

Fast...a cleansed soul rebirthing
see...to be...and understand your flipside...
you want nothing in return
all...is cry until the laughing

There is more between the sky and earth
that is beyond our philosophy
unknown...

you want nothing in return

The closest who need you

(and) the closest surrounding you

WILL WALK AWAY...

AND WHEN WE WALK AWAY THERE WILL BE NO COMING HOME
