

Down, Temptations Wings

I feel the pressure, it lightens
to judge this spirit of mine
to be like the judgement
to be the king that is left behind

to hell with I miss you
I said I 'd do it alone
ripping apart from you
a broken vision to call my own

I gave my life to reason
so now I'm watching my life go
my wit is falling apart
I can't shake temptations wings
I can't shake temptations wings

I bury my head with frustration
and I look at others and wonder why (?)
I'm feeding my cancer
A broken vision that stole my sight

I gave my life to reason,
So now I'm watching my life go -

My wit is falling apart

I can't shake Temptation Wings!
temptations wings...
temptations wings got me pale
why?
