

# Downhere, (Hidden) Rock Stars Need Money

Greetings...

This is our most serious song.

Rock stars need money  
We can't live on bologna  
Rock stars need money  
And it comes from you

Rock stars need money  
We can't live on bologna sandwiches  
We can try, but we'd really rather not y'know

Rock stars need money  
We can't live on bologna sandwiches  
Rock stars need money  
And it comes from you and you and you and you and you

Rock stars need money  
We can't live on bologna sandwiches  
We can try, but we'd really rather not, y'know

And here's how you can help!  
Oooohh, buy our album  
Oooohh, or a t-shirt  
Oooohh, a sticker, a poster, whatever  
Just help us get through the week, yeah

'Cause Rock stars need money  
We can't live on bologna sandwiches  
Rock stars need money  
And it comes from you and you and you and you and you

Rock stars need money  
We can't live on bologna sandwiches  
Rock stars need money  
And it comes from you and you and you and you and you
