

Downset, Chemical Strangle

Geo catastrophic continents hostage of polished profits, too much fluoride out my faucet, taste the
Chemical, chemical, irreversible, chemical strangle, chemical, chemical, so what you gonna do about it?

Earth first blessed me with green trees to breathe freely, healing planetary boundaries completely,
Chemical, chemical, irreversible, chemical strangle, chemical, chemical, so what you gonna do about it?
So what you gonna do about it? (x3)

Strangle

Bless the land
Bless it

Chemical strangle, chemical, chemical, irreversible, chemical strangle, chemical, chemical, so what you gonna do about it?
So what you gonna do about it? (x3)
