

# DQ, Love on the Dancefloor

Everything keeps moving fast  
But I want something that can last  
Until the end of all seasons  
Though I make this journey slow  
I want someone I don't know  
To embrace all my reasons  
The more I seem to give  
The more I seem to get  
And I want forever and ever  
I've been down this road before  
Now I'm coming back for more  
Let's fall in love on the dancefloor  
Like a thousand times before  
Always leaves me wanting more  
Let's fall in love on the dancefloor  
Moving out through time and space  
I'm ignited by the bass  
In this disco inferno  
Every star is burning hot  
We're all something that we're not  
And it's all touch and go-go  
The more I seem to give  
The more I seem to get  
And I want forever and ever  
Chorus  
Let's fall in love  
Let's fall in love  
On the dancefloor  
On the dancefloor, baby  
Chorus  
I've been down this road before  
Now I'm coming back for more  
Let's make love on the dancefloor  
Like a thousand times before  
Always leaves me wanting more  
Let's make love on the dancefloor
