

Dr. Dog, My Old Ways

Some things never change
Or go away
I wait around
And now its yesterday
Like some little kid
Whos overgrown
The lonely one
Whos never been alone

But I dont want to ever go back
To my old ways
Cheatin and creepin around
I dont ever want to go back
To the old days
Leaving the dead underground
But I dont ever want to go
No, I dont ever want to go back
To my old ways again

Always waiting for
The rain to stop
And praying for
The other shoe to drop
Let your worries go
Were all in love
A tidal wave
That comes from up above

But I dont want to ever go back
To my old ways
Cheatin and creepin around
I dont ever want to go back
To the old days
Leaving the dead underground
I dont ever want to go
No, I dont ever want to go back
To my old ways again
I dont want to go back
To my old ways again
