[Intro:]

It's like, it's like this Word up, knowhutl'msayin? One time for your mind, y'knowl'msayin? Yo, from upstate to Brooklyn, the whole borough's thorough You know the time, y'knowl'msayin? Crown Heights, to all my niggas holdin it down It's hardcore, B-boy rhymes just for you, y'knowl'msayin? (L-A-W, this might trouble you) This is Sharief, y'knowl'msayin? Puttin it down for the Aftermath like this

[Verse One: Sharief]

As I inhale the blunt and take a sip off the yac My rhymes come to life, my verbal forces attack Can't hold me back, I'm too strong, I waited too long Freestyle a whole rap tape then write a new song Been in the game since...what? That shit is past tense Pass the microphone and watch this nigga crack the C with that ill shit, I came to kill shit I crack the code, must be the reason they reveal shit But in this era of mayhem I recyc' the murderous rhymes to slay them To all my opponents who wanna kick it, I spark the verbal scientist in your title, I'm walkin wit it A hundred dime pieces and the party got the heaters I shine my verbal styles and got niggas climbin on speakers, the thrill seekers An earthquake of bass lines swangin the party, I'm slangin the mic like a syllable shotty, sippin 40's

[Chorus:]

[Verse Two: Sharief]

Bona fide B-boy, biceps' bionic Blast em back, okay let's get it started Original rap styles comin from my shooter Fifty niggas deep, I'm the ill kid recruiter People gather round, check my flow listen too, look take a peek, time for thought then you know (What they know?) I build with skill, fulfill the drill and still then kill You couldn't stop the pain with Benadryl Too many claim unnamed for fame or be soft as baby tissue with no gun to aim I take a raptor's rough cuz I'lla date the semen Spectators be sayin they can't go where he went That's another level of attack (haa), bring your bats My DJ scratch the record like a scrotum sack I slice the rapper like a surgeon If he wanna battle, I play him out like a priest in a turban Too much tenacity, vocal capacity Ya better take some notes, don't try to get on after me Cuz I'm the chemical enemical

Rhymes I say are definitely guaranteed to reach the pinnacle
