

# Dr. Dre, Rat-Tat-Tat-Tat

(feat. Snoop Doggy Dogg, RBX)

[Intro: guy talking]

You really don't understand do you?  
Hey man, don't you know  
In order for us to make this thing work  
We gotta get rid of the pimps, and the pushers, and then start  
All over again clean

NIGGAZ you crazy!

[RBX]

Once again  
The mighty Death Row organization commitin' mass murder  
And we ain't askin for shit, nigga we takin'  
It, so Dre, BLAST they ass nigga

[Dr. Dre]

Rat-tat-tat-tat late at night with my gat  
On the streets of LA  
Wonderin' where the pussy at  
Staright for ya, looking for a hoe  
Hangin' out, rollin in my '64  
16 switches for the niggaz in my hood  
17 shells so I make it understood  
Stay back, lay back, way back in the cut  
Ya come outside nigga ya gettin' fucked up  
But I told ya, Creep, Creep ya best move  
Like Luthor Vadros, fuckn' up the west coast  
I'm right back up in ya when ya nut  
1-2-3 nut, from the D-R-E but  
This is for the hoes that I used to know  
When I didn't have my '64 and a lot of doe  
I keep ya this and like that  
And I...

[Chorus:]

[Snoop] Never hesitate to put a nigga on his back  
[Dr.Dre] Rat-tat-tat-tat tat ta tat like that, and I..  
[Snoop] Never hesitate to put a nigga on his back  
[Dr.Dre] Rat-tat-tat-tat tat ta tat like that, and I..  
[Snoop] Never hesitate to put a nigga on his back

[Interlude: some guys talkin']

[Snoop] Never hesitate to put a nigga on his back  
[Dr.Dre] Rat-tat-tat-tat like that, and I..  
[Snoop] Never hesitate to put a nigga on his back

[Dr. Dre]  
Creepin and peepin' and I can get with these  
The chronic, slangin' fat keys from my block  
And it don't stop  
Tell me where ya wanna go  
To the strip  
Or take a trip bawlin' with the row  
My shit off in ya system  
Indo smoke in ya lungs, like that  
And you can lift it, on, and a fist a bomb  
Takin' away like hell at Veitnam  
California, back in and on a mission, makin a point  
Ain't no fuckin' competition  
they wish they was a runnin' up in reality  
C-P-T, CAL my locality  
It's strage how I re-arrange and change the buisness  
By droppin' shit like this  
Dope, ya can't cope with the real  
I peal, in the penatentaries, and when I kill it goes...

[Chorus:]

[both] Rat-tat-tat-tat like that, and I..  
[Snoop] Never hesitate to put a nigga on his back  
[both] Rat-tat-tat-tat like that, and I..  
[Snoop] Never hesitate to put a nigga on his back  
[Dr. Dre] Rat-tat-tat-tat like that, and I..  
[Snoop] Never hesitate to put a nigga on his back  
[Dr. Dre] Rat-tat-tat-tat like that, and I..  
[Snoop] Never hesitate to put a nigga on his back

[Snoop Doggy Dogg]
