

# Dr. Feelgood, Back In The Night

(Wilko Johnson)

KEY: Emaj

Back in the night I lay down by your fireside  
Back in the night you shook me like a landslide  
I nearly missed the early shift  
Dreamin&amp;amp;acute; in the morning &amp;amp;acute;bout the things we did

Back in the night  
Back in the night  
Back in the night  
Back in the night  
Beneath your love light

I woke up on the floor, I asked you for some breakfast  
You shoved me out the door, I jumped on to the late bus  
I got to smile, I like your style  
You put me out this morning but you know that I&amp;amp;acute;ll be

Back in the night  
Back in the night  
Back in the night  
Back in the night  
Beneath your love light

The days go by so slow, I feel just like I&amp;amp;acute;m dying  
Stop work whistle blow and then I start reviving  
Across your yard, beneath the stars  
I made it thru another day and here we are

Back in the night  
Back in the night  
Back in the night  
Back in the night  
Beneath your love light
